The screenshot shows the GitHub login page in a web browser. The browser's address bar displays "https://github.com/session". The page features the GitHub logo and the text "Sign in to GitHub". A form for login is centered, with a text input field containing "a112214745". Below the input, a dropdown menu shows the email "a112214745@mhs.dinus.ac.id" and a note "Dari situs ini". A "Lihat Info Masuk Tersimpan" link is present. A green "Sign in" button is at the bottom of the form. Below the form, a link "New to GitHub? Create an account ." is visible. At the very bottom, links for "Terms", "Privacy", "Security", and "Contact GitHub" are listed. The Windows taskbar at the bottom shows the search bar, task view, and various application icons, with the system clock indicating 10:27 PM on 9/12/2022.

The screenshot shows the GitHub homepage in a web browser. The browser's address bar displays "https://github.com". The page features a dark header with the GitHub logo, a search bar, and navigation links for "Pull requests", "Issues", "Marketplace", and "Explore". The main content area is titled "The home for all developers — including you." and includes a welcome message. Below this, there are three main sections: "Start writing code" with sub-sections "Start a new repository", "Create your profile README", and "Contribute to an existing repository"; "Use tools of the trade" with sub-sections "Write code in your web browser", "Install a powerful code editor", and "Set up your local dev environment". On the right side, there are two promotional cards: "Universe 2022" and "GitHub Copilot". The Windows taskbar at the bottom shows the search bar, task view, and various application icons, with the system clock indicating 10:24 PM on 9/12/2022.
